Energy Efficiency Directive
DETI
Room 47
Netherleigh House
Massey Avenue
Belfast BT4 2JP

4 April 2014

Dear Davina

Implementation of Articles 13 and 15 of the Energy Efficiency Directive

NIE welcomes the opportunity to respond to the Department's consultation.

We wish only to comment in relation to the Department's proposal in respect of Article 15(2) to give the UR the power to impose licence conditions that oblige relevant licence holders to provide any information needed to carry out the assessment of energy efficiency potential.

We are happy to assist the UR complete the assessment but we do not believe additional licence conditions are necessary. This is because Condition 8 in NIE's Licences ("Provision of Information to the Authority") already requires NIE to furnish any information or reports requested by the UR.

Yours sincerely
