ESF Information Memo 26/18

Dear Project Promoter

PEACE IV Programme / Steps to Success (S2S)

The **PEACE IV** Programme is an initiative of the European Union which has been designed to support peace and reconciliation.

Participants on a PEACE IV Programme cannot join an ESF Project as they are both funded by the EU. A list of PEACE IV projects can be found on the [SEUPB website](#).

Steps to Success (S2S) is a mandatory government training programme for people in receipt of JSA / UC. It is not permissible for an individual to be on S2S and an ESF funded operation at the same time.

Beneficiaries and their direct delivery partners should ensure that participants they intend to enrol are not already enrolled on PEACE IV or S2S.
